

# the CAMPAIGN for the FAIR SENTENCING of YOUTH

## HEALING & HOPE

*A Celebration | November 7, 2017 | Washington, D.C.*

### *Sponsorship Opportunities*

Thank you for considering sponsorship for Healing & Hope, an evening reception and awards ceremony in support of the **Campaign for the Fair Sentencing of Youth (CFSY)**, a 501(c)(3) nonprofit.

It is an inspiring evening that raises crucial funds to end the practice of sentencing youth 17 and younger to life in prison without the possibility of parole.

**\$25,000 | Healing & Hope Society** Members will enable major CFSY initiatives. \$25,000 allows our advocacy team and members of the Incarcerated Children's Advocacy Network (ICAN) to educate policymakers and seek a ban on life sentences for children in priority states. *Poster displayed in reception area of event. Recognition from the dais. Extended recognition in a scrolling slideshow. Full-page acknowledgement in event program. 20 event tickets.*

**\$15,000 | Leader** \$15,000 covers the Campaign's expenses for a full-time Jesuit Volunteer to work directly with individuals impacted by extreme sentences for youth. *Recognition from the dais. Recognition in a scrolling slideshow. Half-page acknowledgement in event program. 15 event tickets.*

**\$10,000 | Crusader** Crusaders sponsor ten individuals directly impacted by youth violence, such as formerly incarcerated youth and victims' families, to attend our annual National Convening in Washington, DC, where they will hone advocacy skills and inform the CFSY's reform strategies. These sponsored guests will also attend Healing & Hope. *Recognition in a scrolling slideshow. 10 event tickets.*

**\$5,000 | Defender** Defenders enable five ICAN members to educate key decision-makers such as parole board members, judges, or policymakers about why youth should never be sentenced to life in prison without parole. *Recognition in a scrolling slideshow. 8 event tickets.*

**\$2,500 | Champion** Champions allow the Campaign to change outcomes for youth facing or challenging extreme sentences by supporting CFSY's recruitment of pro bono attorneys to represent individuals who otherwise would not have robust legal counsel. *Recognition in a scrolling slideshow. 5 event tickets.*

**\$1,500 | Supporter** We respond individually to hundreds of prisoners who write us every year. Oftentimes, they have few or no visits or sources of information about the movement to end life without parole. Supporters enable the CFSY to send three letters per year to every person in prison who contacts us. *Recognition in a scrolling slideshow. 2 event tickets.*
